

# Colonial Behavioral Health Greater Williamsburg Network of Care

---

Visit the Greater Williamsburg Network of Care website, [www.WmbgCares.org](http://www.WmbgCares.org) to learn more about [COVID-19](#), social distancing, its impact on Virginia and where to find behavioral health telehealth services throughout the state. Click on [Greater Williamsburg Community Resources](#) to view a map of local social services, food distribution sites, medical and dental safety net clinics, free Wi-Fi sites, and much more. For a listing of online support groups, visit the [Community Calendar](#).

The Greater Williamsburg Network of Care, [www.WmbgCares.org](http://www.WmbgCares.org), provides comprehensive information about regional health and human services and relevant national legislation. Our community uses the site to find and recommend services from among over 460 local listings, learn about primary and behavioral health, insurance coverage, and to find events, trainings, and support groups on the community calendar. We invite you to take a moment to review the site and learn all that it can offer to help you manage your primary and behavioral healthcare needs.

Colonial Behavioral Health administers the Network of Care website with funding from the Williamsburg Health Foundation.
